Accordingly, all such Organizations (ETPs) whose validity of empanelment as Training partners has expired will not be considered for any fresh proposal or allocation of target. However, they will be allowed to complete training at the earliest as per their target if any allocated earlier. Details of such ETPs whose validity have expired are at **Annexure II**.

AGENDA ITEM No. -II

Consideration of the new Project Specific Proposals received from ETPs:

Many organizations including some of the active ETPs whose validity has expired, had submitted PSPs also along with their EOIs. As per guidelines, empanelment and approval of PSPs are done in two different stages. Normally, meetings are organized on quarterly basis. However, this time no meeting could be organized during last 6 months due to revision of centre guidelines and inspection of various centers in between with a view to streamline the empanelment process. Since PSPs were received from some of the active Training Partners (ETPs) also who couldn't be allocated target earlier due to expiry of their validity, it was decided by the Committee that PSPs of such organizations which are empanelled or revalidated in 15th meeting (in 1st round of the meeting) may also be considered by the Committee in 2nd round of the meeting.

Names of the organizations (ETPs) whose proposals were considered and approved in the 15th meeting are given below and their details are at **Annexure- III**:

The organization though completed training of 200 PwDs in trades other than Software Development; it couldn't commence training for 50 PwDs in Software Developer due to difficulties in mobilization of PwDs for this trade. The organization, therefore, requested to modify the earlier allotted trade of **SOFTWARE DEVELOPER to HAND EMBROIDER** for 50 PwDs (mentioned at S.No 4 in the table). Considering the problems and request of the Training Partner, the Committee approved the trade change request with condition that new centre guidelines will be complied by the TP and training will be imparted only at the centre validated by the Department.
