Scheme of Establishment of a College for Deaf in each of the five regions of the country.

I. BACKGROUND

1.1 India has a population of 2.68 crore persons with disabilities of which person with hearing impairment constitute a 50.71 lakhs hearing 14.8% as per the revelation of 2011 statistics.

1.2 Current legislation and policy in terms of the Deaf is wholly lacking. While the Disabilities Act, 1995 reserves 3% seats for disabled students in all Government educational Institutions and other educational Institutions receiving aid from the Government as per Clause 39. It mandates that every child with a disability till the age of 18 years, should have access to free education. Its endeavor is to promote integration of students with disabilities into regular schools as well as the setting up of special schools and to equip them with vocational training facilities. Despite the provision on Education in the PWD Act, there is minimal provisions relating to the hearing impaired. It should be noted that Sign Language is not even mentioned in the entirety of the Act.

1.3 The current status of the education of the Deaf in India today is extremely poor. For deaf individuals in a multilingual and multicultural country like India, it's not easy to break the social and semiotic barriers a acquisition of one language itself is difficult for most of the deaf individuals. Besides lack of uniformity and consistency in the usage of Indian Sign Language, the deaf students face barriers of regional languages in higher educational. A handful of deaf students from North, East, Central and Western zones of India are known to travel down South for pursuing higher education due to availability of these colleges in Tamil Nadu and Kerala. Deaf students coming from other states face difficulties in pursuing academics as the medium of instructions is not indigenous to their language. Hence, zone wise setting up of the colleges for the deaf are envisaged to increase enrolment in higher education.

2. SCHEME

2.1 OBJECTIVES

The objective of the Scheme is to provide equal educational opportunities to hearing impaired students for pursuing higher studies and improve the chances of employability and better quality of life through higher education, which is yet to be achieved despite providing relaxations and reservations in terms of enrolment in higher education for the hearing impaired persons.

3. Proposed Scheme/Guidelines/Conditions

(i) The objective of the Scheme is to provide equal educational opportunities to hearing impaired students for pursuing higher studies.

(ii) The Scheme envisages financial assistance to one college, affiliated to the UGC approved Universities, in each of the five regions of the country (a) for expansion of the infrastructure of the existing college (b) for purchase of aids/equipment, office equipment computers, furniture & fixtures etc. for the college for hearing impaired students; and (c) financial assistance in the form of grant in aids to reimburse the cost incurred by the college towards payment of
salaries and allowances etc. to the college faculty, staff and sign language interpreters.

(iii) The financial assistance will be for specific needs of each college for construction of building, purchase of aids/equipments, furniture, fixtures, computers and for providing other support services like libraries, laboratories. The costs of land, construction of staff quarters etc. would not qualify for grant from the Central Government under the Scheme. Grants-in-aid for construction of building, for purchase of equipment, furniture & fixture for five colleges, one each in North, West, South, Central and East/NE regions will only be one time. However, Grant-in-aid towards reimbursement of cost incurred by the colleges on payment of salaries and allowances to the faculty, staff and sign language interpreters would be provided for two years i.e. 2015-16 and 2016-17.

(iv) The applicant institution should possess clear title on the land required for setting up the proposed/existing college. In case, the land is obtained on lease hold, the tenure of the lease deed should be for at least 50 years.

(v) Maximum assistance under the Scheme for expansion of infrastructure in existing college, furniture and fixtures and for purchase of aids/equipments etc. (ii) (a) and (ii) (b) above will be restricted to Rs.1.5 crores. in each case or 50% of the actual cost, whichever is less. However, for colleges sponsored by concerned State/UT Government in North Eastern region (including Sikkim) or UT of Andaman & Nicobar and Lakshadweep Islands, the maximum assistance would be Rs.2.00 crores or 90% of the actual cost, whichever is less. Balance 50% of the cost (10% in the case of NE region or UTs of Andaman & Nicobar and Lakshadweep Islands) should come from the concerned Institute, State/UT Government/NGO/Trusts/Societies/Voluntary Organizations etc.

(vi) State/UT Govt/Other agencies would provide matching contribution and it should be in the form of non-refundable Government/grant. The participation of the State Government/other agencies by way of loan to the college/institution shall not be admissible for the purpose of calculating assistance under this scheme.

(vii) Maximum assistance under the Scheme, in the form of grant-in-aids towards reimbursement of cost incurred by the college on payment of salaries and allowances to the faculty, staff and sign language interpreters would be up to
Rs.1.00 crores in each case per year or 50% of the actual cost, whichever is less. However for college sponsored by concerned State/UT Government in NE region (including Sikkim) or UT of Andaman & Nicobar and Lakshadweep Islands, the maximum assistance would be Rs.1.50 crores or 90% of the actual cost, whichever is less. Balance 50% of the cost (10% in the case of NE region or UTs of Andaman & Nicobar and Lakshadweep Islands) should come from the concerned Institute, State/UT Government/NGO/Trusts/Societies/Voluntary Organizations etc. On completion of graduation, hearing impaired students shall be granted stipend of Rs.2000/- per month for internship of 3-6 months for promoting skill development.

(viii) The colleges under the Scheme should address accessibility related issues as per the stipulations of the PwD Act, 1995 and ensure that all existing structures as well as future construction projects in their campuses are made disabled friendly.

(ix) The Department will invite applications from interested institutions from five regions of the country for establishment of college under the Scheme. All proposals should be routed through State/UT Government concerned and would require recommendations of the State/UT Government concerned. Colleges willing to offer skill based graduation courses focusing on five or more than five of the elective courses indicated under the North, Central, South and East Zones and two or more than two courses from Digital Media, Graphic Design, Photography and Theatre Arts for the College in West Zone will be eligible to apply for the Scheme.

(x) Before applying for assistance for the building project, the Institution/College should constitute a Building Committee with the following members:

a. The Principal/Teacher-in-charge of the College.
b. A representative from the affiliating University
c. A representative from the CPWD/PWD/Zila Parishad/Corporation etc (not below the rank of Assistant Engineer).
d. Two representatives from the teachers of the college.
e. A representative from user-teaching department
f. A representative each from administration and accounts division.
g. The Architect engaged by the College. The persons should be registered with the Council of Architecture.

(xi) The Building Committee will be responsible for finalizing the plans and estimates of the building for the proposed college and also for ensuring the completion of the construction of the building in accordance with the approved plans and estimates. Besides, it will also be responsible for the proper utilization of the funds received from the Central Government and from the college, out of its own resources.

(xii) After the Building Committee has resolved to take up the college building project with Central Assistance, the concerned institution/college shall submit the proposal to this Department through State /UT Government with the following documents for approval of the Department (Central Govt)

(a) Composition of the Building Committee.

(b) A copy of the Building Committee resolution indicting name of the college, name of the building project, type of building, the area covered in sq meters, cost per square meter, basis of estimates, latest schedule of rates, period of completion of the proposed college building, likely date of starting the construction and mode of construction i.e. State PWD/CPWD or by college itself or through contractor/private construction agencies. The resolution shall bear the signature of the members present in the meeting of the committee and shall be duly verified by the Principal of the College.

(c) Detailed estimates duly signed by the Principal and qualified engineer/Architect. Building Plan duly prepared and signed by a qualified engineer/registered architect and countersigned by the Principal/Teacher-in-charge. Building project certificates.

(d) Detailed of the classes/courses proposed to be run for socio-economic development of the hearing impaired students.

(xiii) The proposals received in the Department from institutes/colleges through the states/Union Territories Governments shall be processed by the Department and submit them to the Screening Committee comprising of the following:
